

## Erratum

**Phase relations of  $\text{MgFe}_2\text{O}_4$  at conditions of the deep upper mantle and transition zone** by L. Uenver-Thiele, A.B. Woodland, T. Boffa Ballaran, N. Miyajima, and D.J. Frost (March, vol. 102, p. 632–642, 2017. Article DOI: <http://dx.doi.org/10.2138/am-2017-5871>. Erratum DOI: <https://doi.org/10.2138/am-2017-E102718>.)

Figure 8 of this article was published with the labelling of the two patterns as  $\text{Mg}_2\text{Fe}_2\text{O}_5$  and  $\text{MgFe}_2\text{O}_4$  reversed from what they should be. The experiment numbers, etc., are correct for the two patterns. We have the corrected figure below.

**FIGURE 8.** Comparison of powder X-ray diffraction patterns of  $\text{Mg}_2\text{Fe}_2\text{O}_5$  and  $\text{MgFe}_2\text{O}_4$ .
