ABSTRACTS

Deadline for abstract submission by e-mail: April 30.

There will be electronic version of the Abstracts only.

Details on abstracts for oral and poster presentations are available on the Symposium web page.

Participants will be able to choose their preferences (oral or poster mode) when submitting the abstract, however, the definite mode of presentation will be decided by the Scientific Committee based on time restrictions.

Oral and poster presentations will be scheduled in the final programme.

**For more information, please visit the symposium web-site:
