GeoScienceWorld

Journals

GSW's online service, the *GSW Millennium Collection*, includes peer-reviewed articles and other materials with linked reference lists, **now from 32 high-impact journals** in a broad range of geoscience areas. The digital collection is updated continuously with the most current journal issues. All journals have a minimum of one back year, and most in the database start with the year 2000. A Literature Archive of pre-2000 articles enhances the *Millennium Collection*.

GeoRef

A primary strength of GSW is the ability to search full text in a linked collection, but GSW is also integrated with GeoRef, the premier abstracting and indexing database in our field. GSW's fully-searchable version of GeoRef is updated weekly, making it the most current version of GeoRef available anywhere.
